## TERMS AND CONDITIONS OF SALE

### OUR CAMP

- Aventura Kids Megève organises multi-activity courses for children aged 7 to 12 for a week, a weekend or simply for a day or half-day during the summer school holidays. Aventura Kids Megève also organises tailor-made activities throughout the year on request and after validation of a quote.
- Weekly courses start on Monday afternoon and run for 2 half days (Monday afternoon and Friday morning) and 3 full days (*Tuesday, Wednesday and Thursday*). The courses end on Friday mid-day after the last half-day of activity.
- Our courses welcome a maximum of 12 children per week or per weekend. The children are grouped in groups of 4. Our instructors are qualified professionals (*Brevet d'Etat d'Éducateur Sportif 1er degré Ski Alpin*) who have been working with children for many years.
- During the courses, these same supervisors come to pick up the children every day at their home, with their private cars, and bring them back to the same place at the end of the day. For the good progress of the day, of the activities and of the course as a whole, we ask you to be punctual and to make sure that the children are equipped with all the necessary material to make the most of these days of activities (*we give you a list with the things that must be prepared every day for the children with the enrolment file*).
- We reserve the right to leave without a child who is not ready and who risks delaying the whole group and the activity schedule for the day. No refund will be given for this reason.
- All trips are made with the supervisors and their cars. We are, of course, insured for the transport of children and respect all road safety rules when we are in the car with the children.
- During these courses, we work with external service providers. These service providers have a declared professional activity and are covered by insurance.

## **RULES OF DRIVING**

Damage caused to third parties or to equipment is the responsibility of the trainee and his/her legal representatives. They must therefore be covered by a civil liability insurance policy (RC perso). They must also be covered by social security and a complementary health insurance scheme.

A repatriation and health assistance contract is also highly recommended if the child is not already covered (check whether he or she is covered by your school insurance, car insurance, bank card, etc.).

The legal guardian of the child participating in the courses accepts the above provisions by completing the attached registration documents.

### **No misbehaviour will be tolerated.**

We reserve the right to exclude a child from the course if his/her behaviour is not appropriate. No refunds will be given if a child is sent home.

For more information, please contact us via our Aventura Kids Megève email address: [contact@aventurakidsmegeve.com](mailto:contact@aventurakidsmegeve.com)

## **REGISTRATION**

- To register for an Aventura Kids Megève course, you must complete and sign the attached form and enclose the payment. It is possible to pay for the course in full at the time of registration or to pay a deposit of 30% of the total amount when booking. The balance will be requested at the latest one week before the beginning of the course. We accept credit cards, bank transfers or cash, as well as cheques for registrations made more than two weeks before the start of the course.
- Please note that we have only 12 places per course and that we will take registrations on a first come first served basis.

## **CANCELLATION POLICY**

The courses and activities take place regardless of the weather. No cancellation or refund is possible for this reason.

In the case of a cancellation on your initiative, occurring in case of force majeure (hospitalization, fracture, illness,...), a study will be made on a case by case basis upon presentation of a medical certificate and a refund will be made.
